

Summit Transformation® Certification Standards

Level 1

To become a certified Summit Transformation® **Level 1 facilitator**, a student must:

- Attend a workshop for all workshop hours offered.
- Participate fully in class and ask questions they have.
- Understand the difference between the conscious and subconscious mind.

They must also demonstrate during class that they are proficient in what was taught:

- Muscle testing with clients.
- Creating goal statements with clients.
- Facilitating all 3 level 1 balances.
- Facilitating a private client session.

Level 2

To become a certified Summit Transformation® **Level 2 facilitator**, a student must:

- Complete Level 1 training before taking this course.
- Attend a workshop for all workshop hours offered.
- Participate fully in class and ask questions they have.
- Understand the concept of remote sessions.

They must also demonstrate during class that they are proficient in what was taught:

- Muscle testing with clients remotely.
- Creating goal statements with clients around subconscious blocks.
- Facilitating all 3 level 2 balances.
- Facilitating a private client session using level 1 and level 2 balances.

Level 3

To become a certified Summit Transformation® **Level 3 facilitator**, a student must:

- Complete level 1 and 2 training before taking this course.
- Attend a workshop for all workshop hours offered.
- Participate fully in class and ask questions they have.
- Understand the concept of clearing subconscious blocks with advanced methods.

They must also demonstrate during class that they are proficient in what was taught:

- Muscle testing themselves.
- Creating goal statements with clients around broad life topics.
- Facilitating a private client session using level 3.

Teacher Training

To become a certified Summit Transformation® **Teacher**, a student must:

- Complete Level 1, 2, & 3 training before taking this course.
- Apply to be a teacher of the work and pay the associated costs.
- Attend a private training with Jenny.
- Participate fully in class and ask questions.
- Learn how to teach Summit Transformation by reviewing class workbooks with Jenny and practicing Summit Transformation with Jenny.
- Show up online for 1 transformation group **or** 1 advanced transformation group per month after training to keep the teacher certification or pay for more private training each year.
- Order class manual through Balanced You for each workshop taught and pay the associated costs.

They must also demonstrate during class that they are proficient in what was taught:

- Muscle testing themselves and others live and remote.
- Creating goal statements with clients.
- Facilitating all Summit Transformation Balances.
- Creating action plans with clients.
- Facilitating private and group client sessions.
- Teaching Summit Transformation.
